We are proudly introduce Millennium Original Series here which is 100% waterproof that most other flooring dreams of indecades. It also comes with 20 mils wear layer that can protect most of the scratches and high heel marks. Thanks to thitechnology, it's not only minimize the cost of material and maintenance, but also make the differences between hardwood and Millennium are extremely difficult to recognize. The Reinforced core structure contains high level of CaCO₃, which makes the planks not only 100% waterproof, but 3 times stronger, compare to most of the vinyl or wpc products in the market. And it offers limited life-time residential warranty. If you need more information,
